

3 Column Table

BHAG (Big Hairy Audacious Goal) Learners will be able to navigate and transfer from traditional learning to digital learning.

Learning Goals	Learning Activities	Assessment Activities
<u>Foundational</u> Learners will understand the importance of digital technology. Explore how digital learning can better assist learners.	Demonstrations of how to properly handle equipment. Assign equipment to learners with own login and passwords.	Instructor demonstrates techniques. Review resources that will execute skills. Practice techniques with peers. Start Establishing Goals
<u>Application</u> Learners will work collaboratively to create their own learning environment through COVA.	Working through difficult situations with peers Getting involved Taking ownership of their learning.	Applying what has been learned. Collaborating with instructor. Having a choice to take lead.
<u>Integration</u> Learners will be able to share what they have learned. Reflect on future school and work experiences.	Collab with peers. Show and tell through visual presentation (power point). Discussion	Sharing their findings. Exploring a new variety of online platforms Working together and discussing what have been learned.
<u>Human Dimension</u> Learners will gain personal confidence while working effectively with group members	Group work Learning communities Visual evidence Overall performance	Collaborating in smaller groups 2-3 people. Unlimited opportunities to show and tell what has been learned.

<u>Caring</u> Learners will learn how to value their learning ability while gaining a growth mindset. Having a choice	Reflection (videos, keeping blogs of work) Creating new ways to learn and save past work Creating learning goals	Reflect on what has been learned. Looking over what they have accomplished and what they can do better. Applying a growth mindset by moving past a difficult challenge.
<u>“Learning- How-To-Learn”</u> Learners will be able to explore what they have learned. While being able to demonstrate how choice, ownership, voice, and authentic learning is beneficial to them.	Learning how to create Eportfolio of previous course work. Taking ownership of their learning ability. Stepping outside the box	Creating their own portfolio which will give them ownership of how digital learning have impacted the way they learn overall. No longer being scared to fail.
